Press Release

Ambulatory Surgery Center Receives AAAASF accreditation

[Coeur d'Alene, ID], June 13, 2017: North Idaho Pain Center, would like to announce its successful accreditation with the American Association for Accreditation of Ambulatory Surgery Facilities, AAAASF. AAAASF is recognized by physicians, legislators, state and federal health agencies as the gold standard in accreditation. AAASF was established in 1980 to standardize and improve the quality of health care in outpatient facilities. To obtain the AAASF accreditation, North Idaho Pain Center had to demonstrate a strong commitment to patient safety, quality assurance and demonstrate standards set by the AAAASF at 100% compliance.

AAAASF accreditation gives patients a level of assurance that North Idaho Pain Center has taken steps to achieve and maintain the highest standards in ambulatory surgery centers facilities. This level of commitment is to our patients and our community. We are the only AAAASF pain management ambulatory surgery center in Coeur d'Alene. The medical director of North Idaho Pain Center is Scott K. Magnuson, M.D., board certified in anesthesiology and pain management.
